***Asst. Prof. Anli Suresh, Madras Christian College, India &
Distinguished Fellow of GSMI- India***

Excellences, Distinguished Guests, Ladies and Gentlemen,

Greetings to you all from Chennai, India

It gives me great pleasure to welcome all of you to the **Fourth Annual International Business Conference (IBC2011)**, Michigan.USA. A special heartfelt greetings to Dr. Matthew Kuofie and Global Strategic Management Inc.(GSMI) Fellows in organizing this conference. In addition, Dr. Kuofie is working tirelessly to start Global University in the near future.

This annual conference and workshops have been and will continue to be the platform for us to voice our views and share our experiences on various issues associated with global education, business and economic development. In this regard, we will continue to promote the already highly successful collaboration globally to achieve cooperation among governments, academics and the multiple business sectors contributing to socio-economic growth.

The motto of GSMI is **Leveraging Global Management Resources through Transformational Leadership Insight and Collaboration**. However, a special consideration of GSMI is the collaboration for the cause of Transforming Leadership Roles. Collaboration with GSMI brings a rich pool of experience and knowledge to every other institution/organization affiliated with GSMI.

In fact, I am privileged to be affiliated with GSMI and to use GSMI's platform to promote Madras Christian College and India in general to the global world.

Let me conclude that it is with great pleasure that I give this keynote address to delegates from countries all over the world.

I wish the organizers all the success and the delegates a pleasant and productive time.

Thank you.
